Dear Kathleen and family: Really sad to hear of Kubby's passing. We had some great times at the Hum. We were two of the kids from Western Pa. and always talked about Avella and Washington, Pa. I have not seen him since the 45th reunion, but I have always had fond memories of Ed. He was a great classmate and a good friend. Getting old is the pits.##imported-begin##Lee Powell##imported-end##

Kathleen and family, we are so sorry to learn of the passing of Ed. We have many fond memories of your whole family when we were neighbors, and so sorry we have not kept in touch. We will be praying for the entire family that God will give you the strength that you will need to get through this tragedy, especially for you Kathleen, as I know you will miss him the most because he was your partner in marriage. I pray that you all have the hope and knowledge that you will be reunited in heaven one day, so this is not the end, and without this hope, it would be impossible to get through this difficult time.
