It's been almost 5 months since you've been gone and a day doesn't go by that I'm sad that you've left us. I know you are in a better place, but really so many questions and that left unanswered. RIP Mother###imported-begin###Nathan Bowers###imported-end##

Barbara Ann Bowers. We will miss Barbara very much. I have many memories of Barb - when I babysat her after the family moved back from California. She was a little live wire and full of fun! I was working in Madison, Wi. and I would bring her pretty little dresses when I would go to Wausau to visit my Dad & Grandma Eva. She was my little flower girl in pink at my wedding. She so enjoyed being with Grandpa & Eva- they had a lot of fun always- corny jokes and all. She helped them take care of their lawn. My kids loved her too. She will always live in my heart!###imported-begin###jane swenson###imported-end##

Dear Dave and Nathan,My heart mourns for you in the loss of your wife and mom. Barbara was my favorite cousin, and from the time I knew what a cousin was....I couldn't wait to go over to Auntie Alice's house-and would always ask if Barbara was going to be there. If she was, the trip was even more complete in my then young mind.Her laugh and her sense of humor along with her outlook on everything, was always contagious and made me love being around her.I regret that many miles have separated us all of my adult years but the kindred spirit I feel toward the cousin I always looked up to is forever in my heart. I know she is in heaven with her Creator, healed and made new. That makes me rejoice. Love, Carolyn###imported-begin###Carolyn Swenson Lewis###imported-end##
