She was a dear friend that I didn't get to know for long. I will always remember our talks we had. Her Briener, as she called her funny little cat kept close by her, especially at night, she is a silly kitty. Geri will surely be missed, When I would leave she would be in her chair and raise her hand up so I could sorta high five her, then she'd laugh and we would say, till next week love you take care..I feel lost but know she is alright. She has met with my mother and now will join all the angels that watch over me and my family and many others. God Bless her...##imported-begin##Donna Collins##imported-end##
