We just wanted to let Marion's family know how much she meant to us, when, like my parents, we had only met her once. It was such a blessing when she opened her home to my brother, Charlie and his wife, Christy, when they traveled to Houston. What a giving and loving woman she was and will truly be missed. Our prayers go out to Marion's family. May God comfort you during this difficult time.##imported-begin##John and Beverly Capps Johnson##imported-end##

To Marion's Family:To us, Marion was a wonderful and caring person, even though we had only met her one time. She opened her home to our son Charles and his wife Christy Wilkerson Capps, when Christy was being treated at W. D. Anderson Hospital. She thought of them as her own family. she gave them love and comfort during that stressful time. we had been praying that Marion would get better, but GOD knows best and she is at rest now. Our sympathy goes out to all the family.##imported-begin##Bill & Melba Capps##imported-end##

I am saddened by the news that we have all lost such a kind and beautiful lady. Marion was my step mother abd my memories go back to the seventies when her and my father (Richard sr,) started dating. Through the years I came to know her as a kind, compassionate and caring lady. Her love of Jesus inspired my father to accept him prior to his passing. I will be eternally grateful to her for loving my father as she did. Now when I visit his resting place I will also be visiting her. i join you all in mourning her passing yet I rejoice in the fact that she is in the presence of our Lord reunited with all of her loved ones that have gone on before. Thank you Marion for your life and the gift it trully was to us who got to share in it. Richard D. Szykutowicz ll##imported-begin##Richard Szykutowicz ll##imported-end##
