Susan, I just want to say my prayers are always with you. I loved Jim and he always had something to say mostly with a smile however he was very honest in his feelings. A very treasured trait. He loved our Halo as if she were his own. He took good care of you and the Love the two of you shared was very evident wherever you went. Just know I am here for you if you need me for anything. Please don't hesitate. Love and God Bless Charla##imported-begin##Charla Simmons##imported-end##

I have so many story that I could tell you about Jim and Susan. Susan has been one of my best friends for over 25 yrs. When Susan and Jim were dating, Jim was the one I knew would take care and love Susan until the day the good Lord took him home. Jim would stand in line @ JC Penny from 3:00 am until the doors opened at 6:00 just to get Susan and me the latest snow globe. We all had great fun talking about that each year. Jim was a wonderful person, kind and thoughtful man. He loved his Ã¢â, -ÃSueÃ, -Ã He took wonderful care of Susan and was always ready to travel with her, no matter where the USDA would take them. Jim would have the car packÃ, -Ãand ready to go. Jim was always ready to tell you a story (a tall tail) or a joke. He loved life and enjoyed everything that came his way. He is in heaven watching over his Ã, -ÃSueÃ, -Ã. Jim will be missed, but never forgotten! Love, Denise##imported-begin##Denise Snyder##imported-end##
