To all the family of Calvin Harris, I have great sympathy for you. We have all been blessed with such a kind, joyful man in our lives, that can never be forgotten. We would gather always in delight, for a cookouts, football and skating when he lived in Morris, Al. He always loved to kid with you, as he kept an ongoing comedic flow with his boys, what a cool dad, and Uncle. When you guys moved away, we missed you dearly, but the memories are forever. One day soon, we will all meet again, Thank you Jesus. The last time I talked to Calvin he was giving God praise, and loved sharing his faith, this is the best memory.

So many wonderful memories of spending time with Calvin and his family when the boys were children in Florida! Visiting Disney World under construction was a highlight, then going back when it first opened. Will miss talking with him by phone at least every few weeks. He loved his sons so much. See you in Heaven, Calvin! Lynn Bailey.

Uncle Calvin was truly my favorite uncle, and I loved him dearly. My fondest memories were our times together as a family, when he grilled burgers for our family cookout. His burgers were the best. He always smiled, and he always had some encouraging words to share, when I was down. I wish to remember him that way, I just wish that I could have lived near him in Florida, so that I could have visited him often. I Love You Uncle Calvin, rest in peace and I hope to see you again someday. All my love, Pamela Harris Kinsey ❤️
