“ Bonnie and Dan became our neighbors and instant friends 15 years ago. Bonnie and I would joke about being " sisters from different mothers". What a gem she was. Always a smile even when she was hurting. We had so many good times playing cards on Wednesday afternoons. I know she is smiling down on us as we remember the good times and the courageous warrior she was. God speed ,Bonnie. Till we meet again.

“ I am going to miss my dear friend Bonnie. When they lived in Homewood, IL we lived in Lansing, IL just 15 minutes away. When she and Dan moved to Florida we followed 5 years later and now live 20 minutes away. I have many wonderful memories of our almost 35 year friendship. I will never forget her happy, smiling face and how she found joy in most every aspect of her life. I especially admire the very loving, caring and respectful relationship Dan and Bonnie had. I'm selfish because I didn't want her to leave but I'm also happy she is at peace now and no longer suffering. Rest In Peace my friend.

“ My heart goes out to Danny. Bonnie was the best and more like a sister-in-law to me. I was so happy that I was able to spend a little time with her a couple of weeks ago. May she rest in peace.

“ Bonnie was a sweetheart. She would give you the shirt off her back to help you. We were so sad to see her move to Florida from Homewood, IL - they were our neighbors. Bonnie was always positive and thoughtful. When we would winter in Florida the past 5 years we would connect with Dan and Bonnie for lunch and do a "catch up" on our lives and theirs. This year things changed for Bonnie and we did not get to see her, but I was able to connect with her on the cell phone. She is in a better place with our Lord and I will see you again someday Bonnie Jean! Love you my friend, Pat and Jim Heiner
