He is preceded in death by his parents and eldest sister Carol Siekmann (Augustine Seikmann), Paramus, NJ.

Charlie was born on March 4, 1948 in The Bronx, N.Y. to Charles Molnar Sr. and Anna Caroprese. He married Evol Ann Mullings, the love of his life, on September 24th, 1971. After moving to Florida, Charlie began working for Mack as a Diesel Mechanic.

Throughout their marriage, the couple was blessed with four beautiful children. They remember him as a strong, honorable, loyal, and affectionate father, whose love of family was continuously evident in their lives.

Charlie was an accomplished craftsman and often made furniture and toys for his family to enjoy. He was a Vietnam Veteran, and Bronze Star with Valor recipient. His service and dedication to his country were defining traits of his character. He enjoyed music, the beach, working with his hands, grilling, spending quality time with his wife, children (and many grandchildren), as well as riding his Harley Davidson motorcycle. He was a lifetime member of the NRA, and Combat Veterans Motorcycle Association. He was most passionate about his family, and showed unwavering support throughout all their endeavors. The example he set as a husband and father flowed far beyond his immediate circle; Leaving a beautiful legacy of generations impacted by his commitment to those he loved.

Per Charlie's wishes, a "Celebration of Life" will be held in lieu of a traditional service; The family will reach out separately with additional details. A military service will also take place at Cape Canaveral National Cemetery in Mims, Fl., and is open to all who wish to attend. Details on date & time will be announced publicly by the family in the coming weeks. If you wish to send flowers, please contact the family privately for address information.
