“ Dotty was a local real estate person who frequented our law office. Whenever she called, she had a big booming voice and she totally intimidated me. The day she came into the office for a closing, i was totally shocked. I expected to see a 5'10" woman, about 175 lbs with a demanding gait. Instead in came this little petite 5 foot, 140 lbs woman - small but a force to be dealt with. What a wonderful person Dottie is.
