“ I am so sorry for Nancy's family's loss. I used to help her clean her house when she lived in CT. She was the sweetest lady and am so blessed to have known her.

“ Nancy was a lifelong friend. I spent much of my childhood with her daughter Diane and many years of my adulthood on adventures with Nancy when we were in business together. She was a fun loving woman and we shared many great times together. I had some of my best life memories with her. Her smile brightened a room. She was brave in the face of illness and her faith defined her. She had a kind word for everyone. I love her and will continue to carry her memory in my heart. Heaven has gained a bright star.
