“ This Blue Candle is for the honor of my beloved Husband George Charles Maloof Jr., We have been married for #54 Years but he is unable to make his #82 Birthday and also, Unable to make our #55TH Wedding Anniversary and Others. September 11TH 2020. He would often say to me, " I love you, SharonLee, You mean the World to me. " In turn, I would also say, George Charles you mean the World to me and forever as well. We had a say that went like this, " It is not my way or your way it is Our Way and that worked well." We met @ the S C O T T Club which is a Singles Roman Catholic Club and it means the following: Single Catholics Over Twenty Three. His Roommate introduced and his name is Joe Bevens and he was the Best Man @ our Wedding. I knew Joe as a Club Member...We met and married and had our children in Long Beach, California. My name, his Wife for Life, SharonLee(Williams)Maloof. May God Rest His Soul & Rest in Peace.....

“ Although I never met George I felt like I knew him through knowing Sharon. I was very saddened to learn of George's passing and my prayers go out to Sharon and the family. Cherish the wonderful memories that you had together as they will comfort you now and in the days and months and years to follow. To Sharon: So many people love you and are sending up prayers for you and praying that you can feel the strength of God beside you and knowing that God will get you through this. You have so many friends that you can count on that have an ear to listen to whatever you need to share and I certainly am one of them. I love you "Pink Sista". Gail "Wilson" Davis, Richmond, Va.

“ Thank You, Gail Wilson Davis, my “ Pink Sister.” As always you say the nicest things to me, Amazing we can find Obituaries on Facebook @Twitter. I have no local Relatives that are living in Leesburg, Florida. Vitas Folks took extra care of George in many good ways. In fact, a Vitas Nurse was with my husband and I plan being in touch to see if certain things would be done for a Case Worker name Wanda that see what else can be done for him.He passed away of Vascular Dementia. The Vitas Nurse felt for a temperature and the end had come. Wanda was the Night after hours but George had no life in him anymore. Wanda was the one whom arranged to help George and for me to understand the End of Life.

“ My Late husband enjoyed David so much when he was very young for yes, I do remember these wonderful photos. George taking a nap with his Son David George besides him. Oh yes, both of them enjoyed the ride @ Disneyland in Anaheim, California riding on a Tea Cup Ride and had a wonderful time. Oh how happy they were in such a fun ride, Indeed. Yes, I like it too. David George looks totally relaxed for it's his time to take a nap with his Late Father George Charles Maloof Jr., with him. Love the look how his Late Father is so happy looking @ his Son. Father and Son Relationship was a very deep one, Indeed..
