“ So sorry to hear of Harry's passing he was certainly one of a kind and such a good man ! He was a great friend of ours and he even met my family in Florida this was before he moved there.... we had met when Teresa and I bought our home in coal grove he crawled underneath and checked everything out for us he also helped me carry 3 different refrigerators in and out of here trying to get one that worked in that spot! We played a lot of pool together and listened to Lionel Richie a lot at the VFW in Ironton we so enjoyed hanging out together .
Just year before last I was going to Florida to my dads place in Daytona but didn't have a ride from the Orlando airport and Harry offered to scoop me up and drive me to daddys place. I had no idea that would be the last time I would see him...he was just always always there to help somebody out ...I for one will never ever forget him. He loved his family and friends and they will be in my prayers....until we meet again
Harry Miller We love you man! Lori B Sites and Teresa L Spurlock

“ My love and prayers to each of you. Harry was a dear friend that I always loved. He was so proud of his girls and loved his family so very much. He loved Hall & Oates right along with Del McCoury. I was blessed to know him. Rest peacefully and we'll see you again one day. Jeanette

“ Years ago Harry and I were very close friends. Friendships will never die, and Memories last a lifetime.. He had a lot of friends and loved it when he come into town.. I will always remember the 3 Amigos, Harry, Ron Buckley and of course Walt. I really remember when myself, Ernestine Withrow, Walt and Ron Buckley decided to take a short trip we stayed in Leesburg for a week and we really had a ball.. The guys almost got arrested but nobody cared. That was just one story I could probably write a book. But I will always remember my true male friend..
I. LOVE YOU Harry until we meet again. Please watch over your family and friends
