

Herbert Wayne Allen

Sad and sudden was his passing. He was dearly loved by all. He really loved his family. His weary hours and days of pain and his troubled nights are passed. In our aching hearts we know he has found rest at last . Nothing can ever take away the love our hearts hold dear and the memories we all share. Now he is in God's precious hands, so dear God take care of him until we meet again . May you rest in peace dear father, brother, uncle, friend. “ My Big Brother, you always made me laugh, you loved me, you tortured me (lol) we had a lot of laughs together, and of course, you had all of us wrapped around your finger. Since you were our only brother, just a little spoiled. I wouldn't trade a single memory, I'm Happy you are no longer in pain, and with all our other loved ones, that was there to welcome you. This is not goodbye, it's until we meet again, until then stay out of trouble, if that's possible I love you with all my heart

“ I'm going to miss you so much Uncle Dwayne, I still cannot believe you are gone it just doesn't seem real, you were a one-of-a-kind Uncle, Fun Crazy and loving, always kept everyone going with your sense of humor,I could list a ton of memories but I would fill the page, I remember when I lived in Belleview and would get late night calls from you and we would chitchat for a while,I wish we would have kept that going, I'm going to miss a lot of things but most of all I'm going to miss hearing you say Hey Punkin how you been
You behave yourself up there and leave the ladies alone LOL
I am not going to say Goodbye, this is not Goodbye to me,this is until I see you again and hear you say "Hey Punkin!"
