“ I had the honor of interacting with Jan at so many of the IIA's annual International Conferences. It was always such a pleasure to see her smiling face and her offers to help direct, navigate, or answer any questions I might have. She was an amazing resource and certainly turned the IIA into a "family" of caring and dedicated professionals. She will be missed!

“ I got to enjoy being in Jan's company for many years during our time together at The IIA, and will never forget her kindness and support of others. We remained Facebook friends right up until her passing; and in person and online the world is going to be a little duller without her. Lisa Krist

“ Jan was everybody's caregiver. A positive and accommodating ambassador for weary road warrior auditors. While proud of her audit family, her pride in her family was even greater and we'll not soon forget her many kindnesses and courtesies. We will miss you Jan but were grateful for all you have done for so many. Basil and Dodie Pflumm

“ I had the pleasure of working with Jan at The IIA and there was NO ONE better at taking care of her people. We stayed friends when she retired and I will very much miss all of her sweet comments on my Facebook posts and all of her updates on the family that she loved so much. The IIA has never been the same without you and neither will this world! Love you, my friend. RIP Janny!! Karen Scotchie

“ John and I are so sorry to hear of Jan's passing and we extend our deepest condolences to her family. She was one of the most fun-loving, hardest working people we've ever known and she will be missed.
A very long time ago, I remember telling Jan that I traveled with only two pair of shoes, navy and black. Without hesitation, she quipped, "How is that even possible?!" I will always smile when I think of Jan.
With love, Julie and John Flaherty

“ My family has known Jan and the Cullison family for 40 years. My Mom and Dad loved her. She was like a second mother to me. A lot of my Mom's friends were friends of hers. She will always be known to me as the most caring individual I have ever met. This world will not be the same without you in it. Say hello to my Daddy when you enter the pearly gates. RIP beautiful

“ I am so sorry to hear of the passing of Jan. I had the privilege of working with her for many years at The IIA. She was a dedicated employee who was always overly prepared and challenged others to step up their game. She had an infectious smile and was always willing to lend a hand and served as a pseudo mom to those who traveled with her. If you forgot something or needed anything on the road, she always came to the rescue. One of the best parts about Jan was that she was always willing to rock the boat if necessary to right things that were wrong. I pray the wonderful memories of her carry your family through this difficult time.

Sincerely,
Mary E. Richard

“ We will miss Jan, our neighbor in Lake Frances. When she was going away somewhere she would always let us know how to get hold of her. Jan was very friendly and always chatted with us. She also enjoyed petting our dog. We will miss her a lot.

“ Jan was the best traveling partner I have had the pleasure of working with. When she was around, you knew everything would be okay or someone was going to have to pay for it. Needless to say, we were like brother and sister. Condolences to her family in this time of sorrow.

Edward L. Morrisey - September 05, 2018 at 09:16 PM

“ Thanks Ed. She still spoke of you & Sally often.

“ Jan was a dear friend. She went out of her way to helpful. She smiled with us an made others smile. Jan made everything easier and better for all who knew her. One of my fondest memories was of her getting me to go to Disney World to buy dresses for my daughters before there were Disney stores everywhere. We wore those dresses out.

Rest in peace.
