“ So sorry to hear of Ricky's passing. Whether taking me shooting behind Uncle Bill's, driving Tammy into and back out of the holler to see Uncle Harlow on a chance meeting during a snow storm, or swapping stories at a reunion it was always a great time. Won't forget the words of encouragement at my Pop's passing. He will be missed. God bless the family both close and extended. Steve "Stevie" Myers and family.

“ Rick was a Jack of all trades. He could build anything. We had so much fun spending time together while he was helping to build our entertainment room. I will always remember our talks about family, religion and the good old days. It was never a dull moment. He will be missed by many. Where lives pass, our memories carry on forever. Until we all meet again...
