“ I have a lot of memories of Bobby as we grew up together in Northern Kentucky. Our families were very close and Bob was more like an older brother than a cousin. He was his own man in so many ways and was always so nice to me and my family. I will miss him and will miss his humor and thoughts. I wish we were are young again but life does not give you that. But we will always have the memories and the ability to tell the stories. There will be many stories told about Bobby Finnell. He was a one of a kind person.

“ Bob was definitely his own man, one of the most determined people on record. Ridged and very conservative, thoughtful and kind. A good brother and friend. Miss him much.
